TENNIS COURTS

RULES

USE OF FACILITY

1. For Hartung Farms residents and guests only. At least one player on a court must be a resident.
2. Courts are for tennis only.
3. Tennis shoes are required on courts.
4. Eating, drinking and smoking are prohibited on courts.
5. Do not lean on nets.

SIGN UP PROCEDURE

1. When courts are occupied, waiting order will be established by signing in on the sign up board. Record the time you enter the court. No one may be "waiting for" a court while he is playing on a court.
2. Players will lose their place in the waiting order if they are not available to take their court.

PLAYING CONSIDERATIONS

1. Singles players will relinquish court after 30 minutes, doubles after 45 minutes from the recorded sign up time. If no one with appropriate priority (see court schedules) is waiting for the court, you may sign up again and play a second period.

ONCE YOUR PLAYING TIME IS ENTERED, IT MAY NOT BE EXTENDED IF SOMEONE IS WAITING FOR YOUR COURT.

2. Players not in a priority group must relinquish court immediately. See court schedules for priority group times.
3. Always observe proper tennis etiquette while on the courts.

TENNIS ETIQUETTE

1. Wait quietly outside of fence for your court.
2. When your playing time begins, change courts quickly. Enter the playing area through the gate closest to your designated court. Do not walk through a court that others are using.
3. When a ball rolls onto a neighboring court, wait until play has paused on that court before asking for or retrieving the ball.
